

NOTICE

Thanks to Carmen Mitri our Promotional Director, our members now have an in-store discount at Jan-Cen Motorsports (see below). Along with Jan-Cen coming onboard with an associate sponsorship for 2020, they have also extended a price match discount for all Gasser Racing Series members. They will match the advertised price of Summit Racing right here in Western New York. No matter the size of your order you will save the shipping cost. Now that Summit charges tax on all orders, there is no reason not to buy from one of our sponsors. Just show your GRS membership card to receive this perk.

We now have the membership forms on the gasserracingseries.com web site. Just fill out and send your \$50 membership fee for 2020 to Gasser Racing Series, P.O. Box 267, Lockport, N.Y. 14095. We will send you your new membership card. Thanks, The GRS Board
