

Cash Day

To take the words from the TV show. We at the Gasser Racing Series thought it was appropriate for our September 5th race (rain date Sept. 26th), to thank all of our members for sticking with us in this crazy time and to make it up to our racers for the two races that we lost. We are going to up the September 5th race payout for our members. All GRS members who had joined before August 1st, 2020, will be eligible to race for a \$1,000 purse in both the Gasser and Mod classes. The winners will receive \$500 each with the remainder going to our finishers in each class. As in all of our races, this will still be a single point per round win race. Contrary to a rumor from some knucklehead, the GRS has "Always" paid between 4 to 8 places depending on final car count. Thank you members, from the GRS Board.
